OBJECTIVE

My objective is to achieve self-actualization by shouldering adequate organization responsibilities to ensure as well as growth. I am a recent graduate from CSE, passionate about technology and eager to learn. I am looking for an internship/job opportunity where I can gain real-world experience using my skills and develop myself as a skilled software engineer in the future. I believe that my academic degree will provide me with necessary knowledge to handle any challenging job and also for me to flourish my career.
